Eagles fans watching at home were nodding in approval with John Madden late Sunday night. That's not exactly a recipe for happy Birds fans.**cheap jerseys from china,wholesale jerseys**

It was after the Eagles failed to convert on 3rd then 4th and short with minutes to play on two straight run calls that Madden had to remind us of Andy Reid's similar decision to run during a key situation in Chicago against the Bears. The Birds couldn't get a single yard then on four tries so why did he think they could get against the Giants on two tries? The Giant defense dominated the line of scrimmage,**cheap jerseys from china,wholesale jerseys**preventing the Eagles from getting a first down and in the process ended any hope of a comeback win against the defending champs.

Instead, Brian Westbrook was stuffed on two runs, effectively ending the game. So how did the strategy play in Philadelphia? Enrico Campitelli Jr. of the 700Level.com, a brotherly sports blog from Philly, who was kind enough to help the Fifth Down as a guest blogger last winter, sent us this dispatch:

The Eagles are not a running team and were especially inept on Sunday night against the Giants at trying to do anything productive on the ground. That's why the decision to run in that situation was so terribly frustrating to fans. cheap jerseys from china,wholesale jerseys,cheap jerseys from china free shipping,cheap chinese jerseys,practice jerseys

The Eagles, despite getting the short end of the stick from the referees on a few calls and generally executing poorly throughout, found themselves in a winnable game with minutes to play. Again, not a situation Eagles fans feel very comfortable in. This Eagles team seems just good enough to hang around but not good enough to close things out against good teams.

On Monday, reporters asked Reid if he was worried about the team's current situation. "I know what I have as far as coaches and players, and I know what we have to do and we are going to do it," he said.cheap jerseys from china,wholesale jerseys,cheap jerseys from china free shipping,cheap chinese jerseys,practice jerseys

If the Eagles' offensive line is dropping back into protection over and over and over, can you really expect them to all of a sudden bull over the imposing Giants defensive line?

Extra point: On the 700 Level blog post on the game,**cheap mlb jerseys** several readers suggested that they would gladly trade Reid to the Giants to get Steve Spagnuolo back. Should Reid, who is a top coach in so many other respects, designate someone on his staff to make in-game decisions for him?

Under the headline "Andy Bashers Take a Holiday," Rich Hoffman of The Philadelphia Daily News chided Eagles fans, or, **cheap mlb jerseys** as he called some of them,**cheap nfl jerseys** the Balance Police. Excerpt:**cheap jerseys wholesale,wholesale jerseys**

They weren't getting anything out of it (but for one 27-yard run by Correll Buckhalter).**cheap jerseys wholesale,wholesale jerseys** The rest of the time, Brian Westbrook was banging his head against a wall and he didn't look like he had the burst it would take to bounce outside. So Reid and offensive coordinator Marty Mornhinweg did what they almost always do in that situation — they threw.

At the point where Westbrook caught the 71-yard screen pass for a touchdown, the Eagles has called about 68 percent passes and 32 percent runs. When they are losing, these are the kinds of numbers that get Reid barbecued. It is only a few play calls away from the sainted concept of balance, but people here insist that those play calls are the holy grail. Well, he wasn't balanced yesterday. So why aren't the Balance Police out in force?

Because it was never about the play-calling, except in the most extreme cases. It is about the players.

The Andy-bashers are giving the coach grudging credit for sticking with the run game against the Vikings even though it wasn't working. This is wrong. He didn't stick with it.cheap jerseys wholesale,wholesale jerseys,sports jerseys china,majestic jerseys,custom nfl jerseys cheap

Rich, I admire your work and have always respected your opinions. However, it is clear that you don't get it when it comes to the playcalling gripe fans have with Andy. Your logic has always been to blame the players — essentially saying that the coaches are incapable of putting the players in a bad position.

Extra point: In his news conference, Reid was asked,**cheap jerseys wholesale,wholesale jerseys,sports jerseys china,majestic jerseys,custom nfl jerseys cheap** as he frequently is, about the run-pass balance: "We tried to keep it as balanced as we could so I didn't have to answer that question. I can't believe you asked that question, but I am kind of glad you did."

The unbalanced approach puts the players in a bad position. Running the ball provides balance, and to be honest, Andy's philosophy yesterday was an improvement. Considering what Minny's numbers were against the run (#1 in the league), what Reid did was appropriate. It's when he's facing teams that aren't as good against the run as they are against the pass – when he's incessantly calling passes that fly in the face of logic – that drive fans nuts.
